Glassford Community Group - July 2024 Update

Hall Redevelopment

Plans for the redevelopment of Glassford Village Hall are with South Lanarkshire Council. We are hoping to hear soon whether they have been approved. Once we have a decision we can progress discussions on funding for both the development of costed plans and to carry out the required redevelopment. Thanks to everyone who has contributed to our consultations. We are now expecting that redevelopment will not start before May 2025, meaning we can plan for events in the hall up to that date.

Community Garden

Our Community Garden has been in place since 2021 and continues to be a place to stop on walks round the Borlands for a rest and contemplation. As always we are looking for green fingered volunteers to step forward to help maintain and develop the garden. We would like to thank Davie Murphy for his work in the garden and also in the planters in the village.

Committee

We now have a new and vibrant committee. Our chair is Les Hoggan, our secretary is Laura Davidson and our treasurer is Paul Denning. The committee also consists of Stevie Urquhart (communications), Joanna Mackie (Procurement), Jennifer McEwan (Volunteers) and Andy Gray (Health and Safety).

Volunteers

We are very grateful to all the volunteers who have stepped forward to assist at events, both in setting them up and helping out during the events. Without the support of the community we would not be able to run events and as they are a key source of much needed income to fund the management of the hall we are very grateful to each and every one of you. If you would like to help out with future events please contact us at glassfordcommunitygroup@gmail.com or send us a Facebook message.

Hall Bookings

The hall is available to book for celebrations, parties, events, meetings, fitness classes, art classes, etc. Hall hire is £30 an hour or £25 an hour for regular, scheduled bookings. **You can book online at <https://glassfordcommunitygroup.org/booking-form/>.**
